

## LIVING TOO HASTILY HIS LICENSE IS REVOKED

### AMERICAN WOMEN BREAKDOWN

Irregularities and Female Derangements Result—Cured by Lydia E. Pinkham's Vegetable Compound.

Owing to our mode and manner of living, and the nervous haste of every woman to accomplish just so much each day, it is said that there is not

one woman in twenty-five but what suffers with some derangement of the female organism, and this is the secret of so many unhappy homes.

No woman can be amiable, light-hearted and happy, a joy to her husband and children, and perform the duties incumbent upon her when she is suffering with backache, headache, nervousness, sleeplessness, bearing-down pains, displacement of the womb, spinal weakness or ovarian troubles.

Irritability and snappy retorts take the place of pleasantness, and all sunshine is driven out of the home, and lives are wrecked by woman's great enemy—womb trouble.

Read this letter:

Dear Mrs. Pinkham:—  
"I was troubled for eight years with irregularities which broke down my health and brought on extreme nervousness and despondency. Lydia E. Pinkham's Vegetable Compound proved to be the only medicine which helped me. Day by day I improved in health while taking it until I was entirely cured. I can attend to my social and household duties and thoroughly enjoy life once more, as Lydia E. Pinkham's Vegetable Compound has made me a well woman, without an ache or a pain."  
—Mrs. Chester Curry, 42 Saratoga Street, East Boston, Mass.

At the first indication of ill health, painful or irregular menstruation, pain in the side, headache, backache, bearing-down pains, nervousness or "the blues," secure at once a bottle of Lydia E. Pinkham's Vegetable Compound and begin its use.

## Burlington Liquor Dealer Treated Summarily.

### FIRST CASE OF ITS KIND

S. H. Miller Licensee, Was Held Last Night for Selling to Forbidden Person, Also for Receiving Stolen Property.

Burlington, July 18.—Notice was served yesterday afternoon upon S. H. Miller, who conducts a saloon under a third class license at 274 North Winoski avenue that his license had been summarily revoked by the license commissioners. This is the first instance of a license being revoked in this manner in Burlington under the new law, and it is probably the first in the state. The commissioners have this power under section 43 of the license statute.

The notice sent to Miller stated that the license commissioners had unanimously voted to revoke his license and it was revoked, the same to take effect when the part of the license money representing the proportion to the unexpired term of the license was paid to him. Notice was also made upon City Treasurer L. C. Grant to pay back to Miller this portion of the license fee, Miller's license being of the third class calls for a \$250 fee. The amount of money to be refunded will be in the neighborhood of \$190 or \$200.

Miller was held in the sum of \$300 in city court last week for furnishing liquor to David Bestile, who was on the list of people to whom it is forbidden to sell. Bestile testified that he drank beer at Miller's place and one Charles Asselin also said he saw Bestile drink there. Miller's defense was that he refused to sell to Bestile, knowing he was on the list. Miller was also held in \$300 bail last week on a charge of receiving the rings stolen from the American Woolen company by Omar

## BABY'S FACE MASS OF SORES

Ears Looked as if They Would Drop Off—Body Entirely Covered with Humor—Three Doctors Could Not Cure—Child Grew Worse.

### CURED BY CUTICURA IN TWO WEEKS

Mrs. George J. Steese, of 701 Coburn St., Akron, Ohio, tells in the following letter of another of those remarkable cures of torturing, disfiguring skin humors daily made by Cuticura Soap, assisted by Cuticura Ointment, after physicians, and all else had failed: "I feel it my duty to parents of other poor suffering babies to tell you what Cuticura has done for my little daughter. She broke out all over her body with a humor, and we used everything recommended, but without results. I called in three doctors, they all claimed they could help her, but she continued to grow worse. Her body was a mass of sores, and her little face was eaten away, her ears looked as if they would drop off. Neighbors advised me to get Cuticura Soap and Ointment, and before I had used half of the cake of soap and box of ointment the sores had all healed, and my little one's face and body were as clear as a new-born babe's. I would not be without it again if it cost five dollars, instead of seventy-five cents, which is all it cost us to cure our baby, after spending many dollars on doctors and medicines without any benefit whatever."

### SLEEP FOR BABIES

Rest for Mothers.  
Instant relief and refreshing sleep for skin-tormented babies, and rest for tired, fretted mothers, in warm baths with Cuticura Soap and gentle anointings with Cuticura Ointment, the great skin cure, and purest of emollients.

Cuticura Soap, Ointment, and Pills are sold throughout the world. Put in Drug & Chem. Co., Boston, Sole Preps. Write for "How to Cure Baby's Humors."

Gilbert, the self confessed thief. Gilbert, during the time his case was in progress of being disposed of, stated that he had bought liquor of Miller and that he was under age.

### POCKET SELLERS PUNISHED.

Heavy Penalty for Violating Maine Liquor Law.

Portland, Me., July 18.—The heaviest punishment ever imposed in the State of Maine for violations of the liquor law was that announced yesterday in the cases of Alfred Wynn, who was sentenced to pay a fine of \$500 and costs and serve 30 days in jail, and of Thomas Brown, who was fined \$500 and sent to jail for 210 days. Each man was charged with the retail sale of liquors from bottles concealed in his clothing. An appeal was taken to the Superior Court from the Municipal Court, where the cases were tried.

### DEFAULTER'S DEFICIT.

Bigelow's Shortage Added to and Is Now \$2,200,000.

Milwaukee, Wis., July 18.—Nearly \$250,000 in additional claims have been filed against the Bigelow estate since the making up of the first list, according to the report of the trustee, the Wisconsin Trust Company, filed with Referee Maxwell. Of this sum \$150,000 is secured by collateral and the rest must take its chances with the other claims. These sums bring the total of claims against the defaulter up to \$2,200,000, of which only \$302,000 is covered by securities. The remainder, nearly \$1,900,000, secured by Bigelow through misrepresentation, betrayal of trusts and plain stealing, must be settled with about \$200,000, or 10 cents on the dollar.

### WELL OFF, BUT BEGGED.

Six Mendicants, With Bank Books, Arrested in Gotham.

New York, July 18.—Detectives employed by the Charity Organization Society have caused six alleged beggars, all property owners, to be arraigned in Harlem court.

It was asserted by the officers that the six prisoners had formed themselves into a sort of beggars' trust, to do the Italian feast of Our Lady of Mt. Carmel, which is being celebrated in Harlem's Little Italy.

All of the prisoners were declared to have bank accounts and are landlords. When searched by the police, one beggar had \$583 in bills and a quantity of small coin. Another had a bank book showing deposits of \$1,400.

London, July 18.—In the House of Commons yesterday Mr. Brodick, secretary of state for India, announced that an agreement had been reached between Lord Curzon and Gen. Lord Kitchener, regarding the command of the forces in India.

Last month it was stated that Lord Curzon had informed the British cabinet that he would resign the viceroyalty of India unless orders recently issued giving Lord Kitchener supreme command of the forces in India were changed.

## SAILORS MUTINY

### Revolt on Battleship Imperator Alexander II.

### REBELLION SHORT LIVED

Mutineers Said to Have Put to Sea Without Their Officers, but to Have Returned and Surrendered Sixteen Ringleaders.

St. Petersburg, July 18.—It was rumored here yesterday that the crew of the battleship Imperator Alexander II. had mutinied at Cronstadt and gone to sea without the officers of the ship.

The Peterburgskii Listok announces that there was a mutiny on the vessel, but it says that the mutineers have returned to Cronstadt and handed over sixteen of the ringleaders to the authorities.

The Listok says that the dissatisfaction on board the cruiser Minin at Reval continues, but that she is within range of three forts, which are ready to fire upon her should she attempt to sail.

The Imperator Alexander II. is a ship of 9,900 tons and carries a crew of 604 men when she is fully manned. She is an old vessel, as her keel was laid in 1887. Her speed on her trial was 16.5 knots. She carries two 12-inch four 9-inch and eight 6-inch guns and a number of quick firers, and has six torpedo tubes.

### DANGER IN MOSCOW.

Friend of Zemstvo Leader Hints at a Coup d'Etat.

London, July 18.—The Standard's correspondent at Odessa telegraphs the following statement, which he says was made to him by a friend of Prince Trubetskoi, the president of the Russian zemstvo.

"The Russians have peculiar respect for a strong albeit cruel autocrat. A pusillanimous autocrat is to them an inconceivable phenomenon. That is why the Czar's prestige is suffering."

"A startling development in Moscow not only possible but imminent. A coup d'etat in St. Petersburg would be almost impossible. It is in Moscow that the heart of the Empire most strongly pulsates. That pulsation has now turned to a violent and significant one. It is our sacred mother, Moscow, who will establish and direct the new order of things. If the present regime in a reformed shape is to be conserved, then the Czar must, before it is too late, show himself to the Muscovites within the ancient sanctuary of the Kremlin."

### MORE FOR LINIEVITCH.

Report of Re-enforcements and Plan for Demonstration.

London, July 18.—A despatch from Tokio says it is estimated that re-enforcements have brought Gen. Linievitch's force up to 400,000 men. It is thought that Linievitch is planning to make a great demonstration at the same time as the peace plenipotentiaries meet, but that he has no intention of really taking the offensive.

### ACROBATIC DEER.

Jumps Through Window Into House and Cuts Up Other Antics.

A supposed young deer made its presence known in Burlington early Saturday morning by jumping through a man's window, capering about the room and awakening the occupants, returning to mother earth again by way of the window and then with many lengthy leaps over neighboring fences, making riot in chicken coops and small gardens. The animal made its visit before dusk at the residence of Frank Lavalle of Walnut street. It jumped through the window, which was closed, breaking the sash and glass. It hurriedly left by the same way, however, and the crowd that soon congregated could discern nothing but its tracks, which led towards the intervals.

Evidences of the animal's presence were clearly discerned about the neighboring yards. Tracks were seen in the gardens, and men who claimed to know asserted they were deer tracks. At the residence of Patrick Madden, the trail led one to believe that the animal jumped over a high wire fence. At another place the tracks were some 20 feet apart, a leap which could be easily accomplished by a deer.

### NEW JERSEY OPPOSES.

Royal Arcanumites Will Fight the Rate Schedule.

New York, July 18.—Representatives of 29 councils of the Royal Arcanum in New Jersey, including nearly all the organizations of the order in the counties of Essex, Union, Passaic, Hudson and Bergen, have formed a permanent organization with the idea of opposing the new rate schedule adopted at Atlantic City by the supreme council.

A resolution was adopted without a dissenting vote demanding that the grand council of New Jersey petition the supreme council to rescind before Oct. 1, the date on which the new rates go into effect, and abandon that schedule. A committee of 15 will be appointed to carry on the fight.

In advocating a return to the old rate schedule, it was agreed that to strengthen the finances an additional assessment at the old rates, might be made once each quarter. Under this plan, with 300,000 membership, \$1,200,000 would be raised the first year, with increasing amounts as the membership grew.

### AUTO IS NIPPED.

Caught Between Pillar and a Street Car in New York.

New York, July 18.—Two young women were probably fatally hurt and their two male companions had a remarkable escape yesterday, when the automobile of Frederick E. Marshall of St. Louis, which had been borrowed by the chauffeur, was caught between an elevated railway pillar and a street car. The machine was reduced almost to scrap iron.

The 40-horsepower auto attempted to race in front of a surface car, and as it dodged between the elevated pillars and whirled on to the track it was pinched between the car and a pillar.

The engine's speed was so quickly stopped that the male companion of the chauffeur was pitched to the sidewalk. Nearly all the occupants of the street car were thrown upon the floor, and the conductor was so severely injured that he was taken to a hospital.

### LAFAYETTE KISSED HER.

Peterston, July 18.—Mrs. E. A. R. Close, who had lived in Peterston for twenty-three years, died Sunday at her home, 207 Fair street, from a stroke of paralysis. She well remembered Gen. Lafayette's visit to Peterston, and used to take delight in telling how he kissed her and other young ladies who assisted in receiving him on that occasion. Mrs. Close's husband died about forty years ago. The General Hospital, Orphan Asylum, and Old Ladies' Home were all substantially remembered by Mrs. Close during her life.
